

Lord Aylmer School

June 21st, 2021

Dear parents/guardians.

We are very excited to announce that Lord Aylmer is holding a summer reading competition - LA Reads 2021: Summer Sweepstakes. LA Home and School has generously agreed to donate a substantial amount of money to buy amazing prizes!

There are 2 ways to play. Students can read themselves or they can participate actively in shared reading.

Students will be sent home with: (1) reading recording sheets and (2) instructions on how to play. Copies of these documents will also be put on Remind.

For parents/guardians who want to capitalize on their child's motivation, webinars will be announced through Remind for tips on: (1) keeping your reader motivated, (2) finding the right books, and (3) supporting reading development.

Enjoy a summer of reading!

Sincerely,

Eldon Keon
