Important – Payment of School Fees and Daycare Fees

September 2, 2021

Dear Parents / Guardians:

Please be advised that the Western Quebec School Board has just added online banking as a new payment option for parents. As a result, parents will be able to pay for school fees and daycare fees online. This year, there will be two payment options at Lord Aylmer: Online payment and cash payment in-person. For cash payments, both junior and senior campus accounts will be collected at the senior campus. We will no longer be processing payments by debit or credit card, in person or over the phone. The statements of account for daycare and school fees will be available on the Parent MOSAIK Portal and updated on a weekly basis.

School fees will only be generated at the end of September. For those who have children in daycare, the statement of account (daycare) for September is already available on the Portal. Please see the attached letter by the Western Quebec School Board finance department for instructions on adding Western Quebec as a payee and important information regarding account numbers.

If you have any questions regarding payments, please do not hesitate to contact us. Thank you.

Respectfully,

Eldon Keon
