

Lord Aylmer School

December 20, 2021

Dear Parent/Guardian,

We have just been notified that the Ministry of Education has put in new measures for elementary students due to the rising numbers of COVID-19 cases across the province. These new measures are outlined below:

School Closures

Schools will be **closed December 21, 22 and January 6. No schooling will take place on these days – it is considered an early holiday for students.** On January 7, students will be **working from home** using a **learning packet** (not computer online learning). Over the next two days, your child's teacher will be reaching out to send a learning packet to be completed on January 7. Students are scheduled to return to in-person learning on January 10. If this changes, we will notify our school community using the REMIND service.

Academics for Students for Friday, January 7, 2022

Teachers will email home a package of work to be completed on January 7. If you require a hard copy of the learning package, please email your child's teacher to request one. Your child's teacher will let you know if you require workbooks. You will be able to pick-up your child's learning package/ materials at the **Senior Campus from 9-1 on Wednesday, December 22.** At this time, we are not sending home all students' personal belongings (shoes, pencil cases, etc.) as we are expected back in class on January 10. There will not be a pick-up time organized for these items.

Rapid Tests

If your child has not yet received a package of rapid tests, you will be able to pick up a box at the **Senior Campus from 9-1 on Wednesday, December 22.** (Students who attend the school at the junior campus will also have their rapid tests picked up at the senior campus.

Daycare

If your child is currently registered as a Daycare student, daycare services will be provided, if needed tomorrow and Wednesday, December 22nd. Please contact Julie Belisle at jbelisle@wqsb.qc.ca to reserve a spot. If you are a healthcare worker and there is no adult at home (working or not) to care for your child, you can register for daycare services provided by the school. Please contact Julie Belisle at jbelisle@wqsb.qc.ca to reserve a spot. Please note this is only for Lord Aylmer students and spots are limited due to staffing.
