

## Parent Information Evening January 23, 2023

- In Quebec, students must be 5 years old on or before September 30, 2023 in order to attend kindergarten in the fall of 2023
- Under certain conditions, specified by the Quebec Ministry of Education (M.E.Q.), students may begin kindergarten or Cycle 1.1 early, through a process called "Derogation". These conditions are contained in the Education Act:
  - Students identified as "advanced" by the M.E.Q. (students with advanced intellectual, social, emotional, and psychomotor skills as deemed by a psychologist) may be granted <a href="Early Admission Derogation"><u>Early Admission Derogation</u></a>
  - Students identified as "handicapped" by the M.E.Q. (as outlined in the Organization of Educational Services for At-Risk Students and Students with Handicaps, Social Maladjustments or Learning Difficulties) may be granted <a href="Special Education Derogation">Special Education Derogation</a>.

The following questions will be addressed:

- 1. What is derogation?
- 2. Who is eligible to apply for derogation?
- 3. What are the requirements for qualifying for derogation?
- 4. What constitutes "school readiness" for Kindergarten?
- 5. Why does my child need a psychological assessment to complete the application?
- 6. How do I apply?
- 7. What to do if my school has a K4 program?
- 8. A brief question and answer period will follow.
