

HOW TO ORDER FROM OUR ZZ (ALLERGENE) MENUS

1

Mazzola has designed **4 different menus** for your child/children who have allergies or intolerances. You have a choice of the gluten-free menu (ZZ1), the allergen-free menu (ZZ2), a halal menu (ZZ3) and even a vegan menu (ZZ4)

2

In your online account (www.mazzola.ca), click on: **ADD** a child and add the letters **ZZ** next to their first name (even if your child already has an account)

3

In the section: School, choose the desired menu, for example ZZ1- gluten free or other (**ZZ1, ZZ2, ZZ3 or ZZ4**)

4

In the: **eating area section**, select their school from the menu (**not their class**). If you can't find their school, just contact us.

5

Be sure to order only for the **days we serve at your child's school**. For example, if we offer our service on Mondays and Thursdays, you have to order from the ZZ menus on Mondays and Thursdays **only**.
