September 25, 2023

Dear Parent(s) and Guardian(s),

The purpose of this letter is to remind you of our Kindergarten Schedule. As part of the preschool program that recently went through a reform; outdoor, inquiry play became an integral piece of a preschooler's day-to-day life at school.

As a friendly reminder, our preschool students have a daily 60-minute outdoor inquiry play period (rain, snow, shine, cold, warm- anything goes within reason). Therefore, it is important for our students to come adequately prepared for any type of weather. Our Winter cut off for outdoor play for four and five-year-old kindergarten is -20 with the Wind Chill.

As we enter the cooler months, we ask that you please send your child to school prepared for outdoor play. This may include:

- Coat
- Splash pants
- Rubber boots
- Snow Pants
- Mitts- preferably waterproof in the winter months
- Hat
- Neck warmer
- Boots
- Extra Socks
- Extra Mitts

**** For safety reasons, umbrellas cannot be permitted outdoors during play periods.****

****Help us, help you! Please label your child's belongings.**

As always, I, Ms. Patrick, and the Kindergarten Team, remain available should you have any questions or concerns.

Thank you,

Samantha Halpin & Hannah Patrick
