

Thursday, October 27, 2023

Dear Parents/Guardians and Students:

We have been advised there will be a job action for our teachers and professionals in the form of a strike on November 6th, 2023. This action is taking place across many school boards throughout the province.

As a result, we have decided to **cancel all classes, transportation, and daycare services** across the Western Quebec School Board on November 6th.

Should there be any changes in the situation, I will advise you. Thank you very much for your cooperation and understanding.

Respectfully,

George Singfield
Directeur général
Director General
