

RAMADAN

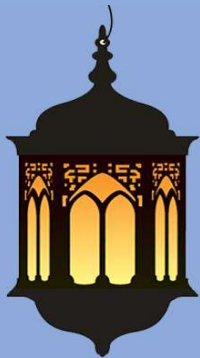

Mubarak

Throughout the months of March and April Lord Aylmer honours the holy month of Ramadan. For the thirty days of Ramadan, Muslims fast from sunrise to sunset. They also engage in prayer and give to those less fortunate.

At Lord Aylmer, we will be creating a collaborative art installment honouring the activities and traditions celebrated during Ramadan.

A specific location in the Sr. campus has been dedicated to Students and staff who are observing Ramadan. This is a space where students and staff are welcome to go during lunch and recess if they would like a quiet space to go to rest, pray or spend time together.

For more information, please see Mme Megan in the resource room.

*Ramadan Karim to all those
who celebrate.*
