

Dear Parents!

WQSB has a subscription to TeenBookCloud, and your child can access it from home! It's unlimited, and it's FREE for them to use!

TeenBookCloud is a middle grade/high school collection, which is geared towards readers in grades 7-12. This collection includes Graphic Novels, Enhanced Novels, eBooks, classic literature, non-fiction, educator resources, and audiobooks.

TeenBookCloud's diverse collection connects to curriculum topics and supports what students are learning in class. In addition, they have the freedom of choice, and can select titles on subjects that interest them. Your child can use the collection for school assignments or for the love of reading!

There are no check-out times or wait lists. This digital library and its books are always available and streamed right to their computer, tablet, or smartphone. All they need is an internet connection!

Below is the information they need to login to the school subscription:

www.TeenBookCloud.com

Username: wqsb

Password: wqsb1

Or visit our website for instant access:

<https://www.teenbookcloud.com/autologin.aspx?U=wqsb&P=wqsb1>

TeenBookCloud also has a new app! It is available for download on the Apple App and Google Play stores. Students will need the username and password to sign in.

Happy Tumbling!
