

Lord Aylmer

OUTDOOR KINDERGARTEN PROGRAM

Goal

To maximize opportunities to be outdoors and to learn through experience and movement- in connection with the objectives and competencies of the Quebec Preschool Program.

and...

- Extended time outdoors (approximately 75% of the day)
- Focus learning through nature and movement
- Daily learning and play in our outdoor classroom
- Daily opportunities for nature-based exploration – rain or shine!

Features

- English/French programming on alternating days.
- Exposure to the same preschool curriculum competencies as peers in the Immersion and/or English Kindergarten Program.
- Participate in all school-wide community activities (Pep rallies, celebrations, etc)

Daily Activities

- Outdoor Circle time (songs, stories, themed lesson, and activities)
- Focused outdoor play centers, free exploration & snack
- Outdoor discovery in different nature locations
- Friendship/sharing circles
- Indoor learning blocks
- Mindfulness
