### Schedule:

- Microsoft Forms sent out to the community on **May 23<sup>rd</sup>, 2025**.
  - Two-week timeframe to complete
  - **CLOSED June 6<sup>th</sup>, 2025**.
- 

Dear Lord Aylmer Families,

We are excited to invite you to take part in our Lord Aylmer Parent/Guardian Feedback Survey for the 2024–2025 school year. This survey is an important initiative jointly supported by the Lord Aylmer Governing Board and school leadership, with the goal of listening to our community and using your voices to shape the future of our school.

Your feedback is *incredibly valuable*. It plays a direct role in how decisions are made for the upcoming school year. The Governing Board carefully reviews all the survey results, and the data collected is shared with both our staff and the wider parent/guardian community. The insights gained help guide updates to our School's Educational Project, inform staff reflection on past practices, and inspire meaningful improvements that benefit all students.

Last year's survey highlighted two key areas for growth:

- Many families shared that the volume of communication from the school felt overwhelming. In response, we refined our communication practices and now send a single weekly update every Friday, along with a monthly calendar of events to help families stay informed without feeling inundated.
- There was also a clear call for more extracurricular opportunities for students at both the Junior and Senior campuses. We're proud to share that, based on this feedback, several new extracurricular activities were added this year to support student development and engagement across both campuses.

To thank you for your time and participation, we are pleased to offer an incentive this year—participants will be entered into a draw to win one of several \$25 gift cards. Please note: your responses will remain completely anonymous, and your email address will not be linked to your answers.

We value your input, your perspectives, and your commitment to making Lord Aylmer a strong, inclusive, and forward-thinking learning environment. Whether you have ideas for improvements, comments on what's working well, or suggestions for new initiatives, we want to hear from you.

# Lord Aylmer School

The survey is open to all parents and guardians. Please take a few minutes to complete it and help us grow together as a school community.

Thank you in advance for your participation and continued support!
