

The information requested on this form is needed to determine whether a child is eligible to receive instruction in English, in accordance with the Charter of the French language and the applicable regulations. This information will be dealt with confidentiality, in accordance with the Act respecting Access to documents held by public bodies and the Protection of personal information.

- **Complete Section 1**, indicating the legal name of the child for whom the application is filed as well as the name of the applicant.
- **Complete Section 2**, checking the criterion invoked in support of the application.
- For all **other sections to be completed and documents to be provided**, read the instructions corresponding to the code selected in **Section 2**.

Note: French instruction received in an immersion class is counted as English instruction under subparagraphs 1 and 2 of the first paragraph of section 73 (codes I, II, and III), if it was received in Canada in an English language educational institution that provides educational services in accordance with applicable laws, and if it constitutes a pedagogical method that fosters the learning and mastery of a second language.

Should you need further information on how to complete this form, contact the school board or private school where the application is filed.

Code I

- Attach data form ADAN, duly completed.
- Attach the child's birth certificate, or a certified true copy, bearing the names of the parents.
- Attach proof of Canadian citizenship for the parent whose studies completed in Canada are invoked.
- Complete **Section 3A**, indicating the language(s)—English, French or other—in which that parent received his/her elementary instruction, and the percentage of instruction received in each language.
- Attach—for the years indicated in **Section 3A**—a written attestation issued by each educational institution or school board attended. This attestation can be issued: 1) in the form of a letter from the educational institution or school board; 2) by having the educational institution or school board complete **Section 3B**; or 3) as school transcripts, if they include the information mentioned in **Section 3A**.
- If an attestation of studies cannot be obtained from the competent authority within the school board or educational institution, contact the school board where the application has been filed to obtain the necessary information on how to proceed and what supporting documents are required before completing **section 5**. Provide proof to show what steps have been taken and what required documents have been submitted, in compliance with sections 10 and 11 of the *Regulation respecting requests to receive instruction in English*.
- Attach all documentation or information relevant to the examination of this eligibility application, particularly any documents that present contextual elements required for a proper assessment of the education received in light of the child's overall individual and family situation.
- If the parent has already been declared eligible for instruction in English under section 73, 76 or 86.1, only Form 1 (short form) need to be completed.

Code II

- Attach data form ADAN, duly completed.
- Attach the child's birth certificate, or a certified true copy, bearing the names of parents.
- Attach proof of Canadian citizenship for the father or mother.
- Complete **Section 3A**, indicating the language(s)—English, French or other—in which the child concerned by the application received his/her elementary and secondary instruction, and the percentage of instruction received in each language.
- Attach—for the years indicated in **Section 3A**—a written attestation issued by each educational institution or school board attended. This attestation can be issued: 1) in the form of a letter from the educational institution or school board; 2) by having the educational institution or school board complete **Section 3B**; or 3) as school transcripts, if they include the information mentioned in **Section 3A**.
- Complete **Section 3C**, indicating the language(s)—English, French or other—in which each of the child's brother or sister received his/her elementary or secondary instruction, and the percentage of instruction received in each language.
- Complete **Section 4**.
- Attach all documentation or information deemed relevant to the examination of the eligibility application, particularly any documents that contain specific factual information related to the schooling cited, to the choices made in this regard and to any special circumstances surrounding this experience.

Code III

- Attach data form ADAN, duly completed.
- Attach the child's birth certificate, or a certified true copy, as well as that of any brother or sister for whom studies are cited in **Section 3A**. These birth certificates must bear the names of parents.
- Attach proof of Canadian citizenship of a parent or of the parent in common if the brother or sister in **Section 3A** has only one parent in common with the child for whom the application is being filed.
- Complete **Section 3A**, indicating the language(s)—English, French or other—in which each of the child's brother or sister received his/her elementary and secondary instruction, and the percentage of instruction received in each language.
- Attach—for the years indicated in **Section 3A**—a written attestation issued by each educational institution or school board attended. This attestation can be issued: 1) in the form of a letter from the educational institution or school board; 2) by having the educational institution or school board complete **Section 3B**; or 3) as school transcripts, if they include the information mentioned in **Section 3A**.
- Complete **Section 3C**, indicating the language(s)—English, French or other—in which the child and each of his/her brother or sister (not in section 3A) received their elementary and secondary instruction, and the percentage of instruction received in each language.
- Complete **Section 4**.
- Attach all documentation or information deemed relevant to the examination of the eligibility application, particularly any documents that contain specific factual information related to the educational experience cited, to the choices made in this regard, and to any special circumstances.
- If the brother or sister has already been declared eligible for instruction in English under section 73, 76 or 86.1, only Form 1 (short form) need to be completed.

Codes IV, V et VI (Section 86.1 of the Charter of the French language; Order in Council respecting the application of section 86.1 of the Charter of the French language to English-speaking persons from New Brunswick)

- Attach data form ADAN, duly completed.
- Attach the child's birth certificate, or a certified true copy, bearing the names of the parents.
- Provide proof of residency for the father or mother in New Brunswick, immediately before arrival in Québec (copy of lease, municipal tax assessment, etc.).

Where Code IV is selected:

- Complete **Section 3A**, indicating the language(s)—English, French or other—in which that parent received his/her elementary instruction, and the percentage of instruction received in each language.
- Attach—for the years indicated in **Section 3A**—a written attestation issued by each educational institution or school board attended. This attestation can be issued: 1) in the form of a letter from the educational institution or school board; 2) by having the educational institution or school board complete **Section 3B**; or 3) as school transcripts, if they include the information mentioned in **Section 3A**.
- If an attestation of studies cannot be obtained from the competent authority within the school board or educational institution, contact the school board where the application has been filed to obtain the necessary information on how to proceed and what supporting documents are required before completing **section 5**. Provide proof to show what steps have been taken and what required documents have been submitted, in compliance with sections 10 and 11 of the *Regulation respecting requests to receive instruction in English*.

Where Code V is selected:

- Complete **Section 3A**, indicating the language(s)—English, French or other—in which the child received his/her elementary instruction, and the percentage of instruction received in each language for the last school year completed in New Brunswick or for the year in progress before arrival in Québec.
- Provide a written attestation issued by the educational institution attended for the last school year completed in New Brunswick or for the year in progress before arrival in Québec. This attestation can be issued: 1) in the form of a letter from the educational institution; 2) by having the educational institution complete **Section 3B**; or 3) as school transcripts, if they include the information mentioned in **Section 3A**.

Where Code VI is selected :

- Attach the birth certificate of the child's older brother or sister (or a certified true copy), bearing the names of the parents.
- If the brother or sister has already been declared eligible for instruction in English, complete Form 1 (short form).
- If there is no declaration of eligibility, follow the instructions listed above in Code IV or V, depending on the case. The requirements stipulated in Code V apply to the studies of the older brother or sister.

Code VII

- Attach data form ADAN, duly completed.
- Attach the child's birth certificate, or a certified true copy, bearing the names of the parents.
- Complete **Sections 3A** (for the child concerned by the application), **3C** and **4** and briefly explain the context on a separate sheet.
