RE: Cycle 3.2 Ministry of Education Examinations

Dear Parent(s) & Guardian(s),

As we are approaching the end of the school year, we want to remind you that there are mandatory government examinations that occur in Cycle 3.2 (grade 6) elementary. It is very important that you, as a parent/guardian are aware of the impact these examination results can have for students' final grades on June report cards.

Ministry Examinations take place in both Math and English. The weighting of each exam is worth 20% of the student's final grade. It is therefore critical that a student is present to write the final examination so as not to forfeit 20% of their final grade. The only exception to this is serious and legitimate illness. If this happens, we ask that you contact the administration staff, Sam Halpin & Hannah Patrick as soon as possible.

At the elementary level there are no re-writes or summer school courses. As well, the elementary grade six examinations are process exams that extend over several days. If a student misses a day due to an unforeseen circumstance, we as a school team will do our best to accommodate this absence. However, if a student misses more than this, there is the distinct possibility that student will forfeit 20% of their final grade. Below you will find the dates during which examinations will be occurring:

English Language Arts: May 19th-June 5th, 2026

Math: June 9th-11th, 2026

Should you have any questions or concerns, please do not hesitate to contact your child's teacher and the administrative team.

Best wishes as we enter an important part of the school year.

Sincerely,

Sam Halpin & Hannah Patrick
